# New Hope Short-Term Missions Trips - 2012

**CORE VALUES OF  
VFY'S "NEW HOPE"  
MISSIONS TRIPS**

**1. STRONG LOCAL CHURCH EMPHASIS:**

We work with churches and ministries in the cities and we serve as a conduit between church youth groups who desire an inner-city outreach experience and inner-city missionaries & pastors.

**2. CREATIVE & CULTURALLY-RELEVANT OUTREACH:**

Our hosts provide hands-on ways to share the *New Hope* of the Gospel of Jesus Christ in a relevant inner-city culture; all participants must be prepared to share their faith in Christ with others.

**3. A UNIFIED TEAM APPROACH:**

We take church youth groups from all around the country into an inner-city setting to work with established local ministries.

**4. DAILY BIBLE CONFERENCE & WORSHIP:**

Our trips include daily Bible preaching, student-led worship, and prayer times—along with life-changing outreach experiences.
